ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

Appeal has been made by the town of Brattleboro from Judge E. L. Waterman's decision giving ultimate control of the Austin bequest of \$50,000 for a hospital to the hospital trustees.

The new town house at Concord is nearly completed and the tower is ready for the clock. As announced in The Messenger, Harvey Judevine made provisions for the clock and presented it to the town last May, and the bell bears the inscription: "A gift from H. Judevine and wife, '05."

There is some talk of organizing another band in the village of Bennington, though it is hard to see where the material is coming from. The Bennington City band has lost several clarinet and cornet players recently by removals from the village, and there are no persons in sight at present to fill their places.

The Vermont Commandery, Military Order of Loyal Legion, from its headquarters in Burlington has just sent out a memorial to the memory of Clarence E. R. Jenne, who died in Brattleboro about six months ago. Mr. Jenne was elected a member of the first class of the order by inheritance from his father, the late Maj. B. R. Jenne, and was one of three members living in Brattleboro. The tribute deals with the life and character of Mr. Jenne.

C. E. Simanton of St. Johnsbury has brought suit against Oscar L. Bramble of Washington, N. J., for alleged false arrest in connection with an automobile which Mr. Bramble tried to get away from Mr. Simanton. The latter was arrested in Newton, and brought back to Washington, where the grand jury failed to indict him. The writ is issued out of the supreme court, and the plaintiff claims that the arrest injured his reputation and business, and seeks to recover damages as mentioned. The plaintiff brings suit for \$10,000.

The farm barn owned by E. H. Root situated on the road leading to West Swanton, was destroyed by fire Saturday afternoon. It is alleged that the fire was caused by a spark from an engine on the Central Vermont railroad which set fire to the grass. A heavy west wind was blowing and the flames were carried across the field to the building. There was no one at home at the time. Mr. Root visiting in Brandon. In the barn were stored over sixty tons of hay and a stock of farming tools which were all destroyed. There was \$1,100 insurance on the property.

Capt. J. Estey of Brattleboro, while in Georgia recently, was given a very interesting relic of the Civil War in the shape of a diary kept by one of those unfortunate soldiers of the Union army confined in Andersonville prison. The book is in a fair state of preservation and is well written. It gives the details of the writer's capture, the long march and final arrival at the prison, the weary days of waiting, sickness, and the daily death list (as high as forty-three in twenty-four hours), rumors of exchange only to bring disappointment, attempts to escape only to be shot or brought back with the aid of bloodhounds, lack of food, and suffering from exposure. The diary ends abruptly. Captain Estey is trying to trace the writer and deliver the diary to the owner, if living, or his family.

Raised \$2,000 at First Try.
A movement was started at the Baptist church Sunday morning to raise by subscription the money necessary to run the church during the coming year. About \$3,500 is required to defray the expenses of the church for 12 months and as no active campaign has been conducted for the past few years the pledges have been on the decrease. For this reason it was thought advisable to ask the congregation for better cooperation in the support of the church. The sermon was short and was devoted exclusively to the subject of giving. The people were then asked to pledge a definite amount. They responded with exceptional enthusiasm and up to this morning about \$2,000 had been promised and those who have the matter in charge expect to raise the remaining \$1,500 in a short time. It is understood that the debt of the church at present is about \$600.

Carbolic Acid in Milk.
Word has been received at Fort Ethan Allen that the wife of William Pigeon, who was a wagoner in the 27th battery and received his discharge last December, has committed suicide at Fitchburg, Mass., by drinking an ounce of carbolic acid in a glass of milk. Pigeon was married in this city some time during August, his bride being an Enosburg Falls girl, well known in this city. No one at the military post can remember her name.

Mrs. Pigeon before her act cheerfully entertained a member of her husband's family at her home Saturday morning. Her husband upon returning home a little later was engaged with grief to find his wife in a dying condition and she died in his arms an hour later. The following note was left by the woman to her husband: "Dearest: I can no longer bear ill-health. I can no longer be a burden upon you on account of debts. I have decided to end my life. Farewell."

"I Thank the Lord!"

cried Hannah Plant of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal and from which I had suffered for five years." It is a marvelous healer for cuts, burns and wounds. Guaranteed by the Red Cross Pharmacy and Parlor Drug Store. Price 25c.

Fertile Eggs.

No poultryman can be absolutely sure of the fertility of eggs designed for hatching. Strength and vigor of his fowls are the best guarantees he can offer. These qualities are gained only by proper feeding. G. M. Ransom & Co. of Essex Center, Vt., tell of their method of securing fertile eggs: "I have some very choice birds of different breeds and have fed them your food and they are laying fine now. Am sure the eggs will be fertile this spring, as I am feeding Page's Perfected Poultry Food."

A WONDER WORKER

MARVELOUS DISCOVERY FOR THE CURE OF ALL FORMS OF CONSTIPATION—NOT A HABIT BUT A CURE—YOU DECREASE THE DOSE UNTIL CURED.

After many years of study and practice a physician specialist has discovered the cure for constipation. It is called Chase's Constipation Tablet.

"I do not mean," said the physician to several of his colleagues attending his success, "I do not mean just another pill that breeds the pill habit. My remedy is a cure. By gently forcing all the digestive organs to perform their functions it restores them all to health and strength."

"THE MORE, THE LESS."

"The more you take the less you need until you need none—for you are cured. My effort all along was to avoid the evil of the ordinary remedy which pumps organs already weak and so makes the patient a slave to the pill. Remember—Nature expects every organ to do its duty."

Physicians have long recognized the fact that constipation is at the bottom of nearly every disease. It saps all energy, and makes life a burden; it opens the doors to all evil germs and makes the body too weak to resist them.

"THE VELVET WORKER."

This new discovery is in small tablets, easily taken, and they are packed in watch-shape bottles which fit the vest pocket. The tablet is mild, all vegetable, never gripes or injures the most delicate organs. But it does the work! So naturally and soothingly they stimulate and regulate and strengthen that they have been nicknamed "The Little Velvet Workers."

Don't shuffle along with this great burden! Be healthy, be strong, be happy. Read our offer:

To any reader who sends us his or her name and address with five stamps to cover postage expenses, we will once mail a full-size 25-cent bottle of Chase's Constipation Tablets, the worker that cures.
